Other money-saving ideas to consider for college and beyond:

- \$ Take Concurrent Enrollment, AP, CTE, or a combo of all 3 in high school. Why?**
 - **CE courses** are only **\$5 per credit hour**. College tuition for 1 CE course is \$15-\$20!
 - **AP** course exams are about \$103 (per exam) and **successful credit can go just about anywhere!**
 - **CTE** courses (at **HHS** or **JATC**) allow you to **“sample” what you want to do or study** and some programs send you off with **a certification or licensure** to start in a trade, work industry, or a college career!
- \$ Take courses that will count as General Education requirements for college graduation:**
 - CE or AP English, Math, Science, History, Fine Arts, etc. (Remember, it's cheaper!)
 - *Always seek the advice from a college academic advisor on what GE credits are needed for you!*
- \$ Take college program prerequisite or foundation courses before you get there! For example:**
 - **Nursing** – **FHS 1500** and/or **NUTR 1020** (offered at HHS)
 - **Computer Sci./Programming** – **CSIS 1400 & 1410** or **AP Comp Sci.** or **AP Comp. Sci. Principles** (offered at HHS)
 - **Engineering/Robotics** – **EDDT 1010** and/or **EDDT 1040, ENGR 1070** (offered at HHS)
 - **Medical fields** – **HS 1100, HLTH 1110 & 1111, RHS 2175, RHS 2300** (offered at HHS)
 - **Art, Design, Graphics** – **ART 1020, ART 1120, ART 1080, ART 1630, INTD 1010, FASH 1010** (offered at HHS)
 - *Always seek the advice from a college/program advisor on what prerequisites would benefit you the most!*
